Once the wallet is configured in the Binance Smart Chain network, you can access the Medabots marketplace: <https://marketplace.medabots.game>

Login with the wallet in the Marketplace:

1. By clicking on the login button in the upper right, a pop-up window will be displayed that will allow you to choose which kind of wallet to connect with the marketplace

2. Forge (Mint) mew parts if you want to have more chances of earning MON within the game.
  - a. Access to Inventory menu to view the collection of minted parts, initially empty

- b. Press the MINT piece button at the top right of the inventory section.

- c. Forging a piece costs 5 MON, and will create a part from a random family, rarity, and stats. To build a robot, 4 different parts of the same family are necessary (core or head, left arm, right arm and legs)
3. Connect the wallet with the game and buy crystals.
    - a. Access the game account section to create or associate the wallet with a game account.

- b. Create a User or enter the login data of an existing user.

d. The different currencies of the game will appear below. From the marketplace you can buy crystals (Crystals), which allow you to play in Play2Earn multiplayer battles, and you can claim the MON obtained from the victories of these battles

	<b>MON IN GAME</b>	0	<a href="#">Claim</a>
	<b>CRYSTALS</b>	1	<a href="#">Buy</a>
	<b>FRAGMENTS</b>	220	
	<b>SCRAPS</b>	0	

e. By clicking on the BUY button, you can buy crystals at the exchange of 1 MON= 3 Crystals.

- f. When confirming the purchase, these will take a few minutes to be associated with the user's account and will be available in the game.

4. Play & Earn MON in the game

- a. First you have to beat the initial 4 levels of the adventure to complete the tutorial and unlock access to the workshop

- b. Obtain enough parts to build 3 robots in the same team, either by beating adventure levels, or by acquiring NFTs in the marketplace. Once you have a team of 3 robots, you can play in multiplayer mode.

c. In multiplayer mode, click in the hole where the crystal will be placed, to play a Play2Earn battle

d. Press the PLAY TO EARN button to start the pairing. If you manage to defeat your opponent, you will get an amount of MON depending on the number of full NFT bots you have in your team.

0 robots (0 NFT parts)	0.30 MON per win
1 robot (4 NFT parts)	0.31 MON per win
2 robots (8 NFT parts)	0.32 MON per win
3 robots (12 NFT parts)	0.33 MON per win
